

MASTER'S THESIS EXAM REGISTRATION SCHEDULE - JUNE 2022 SESSION

TI, AES, ISA, SIAPS, SISC, SIIS, CCIT, ML, IT, SE Master Programs

- Master's thesis exam **sitting date**: 14 – 15 June 2022
- Master's thesis **registration period**: 08 – 10 June 2022, by 4:00PM
 - The registration is carried out via the Virtual Campus, in the “*Master Thesis Defense*” course
 - available from 8th June 2022, 00:00 to 10th June 2022, by 4:00PM
 - **Registration is no longer available after the above-mentioned period!**
 - Only ACCREDITED STUDENTS who passed all their exams will be enrolled in the “*Master Thesis Defense*” course. If you are an accredited student and you are not enrolled by 8th June 2022, inform the Registration Contact Person!
- **The steps required to complete the online registration process are as follows:**
 - Filling in the Registration form in the *I. Registration to Master's Thesis Defense* section, within the “*Master Thesis Defense*” course.
- **On 11th June 2022, the documents listed below shall be uploaded to the Virtual Campus.**
 1. **Master's Thesis**, which should be approximately 50-60 pages long. **Statement** by which candidates declare that “the thesis is the result of their own intellectual work and does not contain plagiarized parts”. The statement signed by the candidate shall be included in the thesis as its last page. The format of such statement is provided in the model in **Annex 3***. **Assessment** by an authorized representative of the company where the student is possibly an employee, in case the thesis was realized under joint supervision (co-tutelage), with a theme from the specific activity field as employee, according to the model in **Annex 2***. Such assessment shall be inserted into the master's thesis. **Abstract of the thesis** in Romanian IF the thesis was written in another language (maximum 1 page).
 2. **A scientific paper** drafted based on the master's thesis, to which **the statement** on its defense/publication shall be added, according to **Annex 5***.
The paper shall be redacted in the IEEE format (http://www.ieee.org/conferences_events/conferences/publishing/templates.html) or in another format, in accordance with any publication specific requirements. The paper shall be at least four pages long.
- **The .ppt/.pptx presentation to be used for the thesis defense shall be uploaded to the Virtual Campus from 11th June to 13th June, 2022, by 8:00PM.**
- **The supervisor will send an assessment sheet as per ANNEX 4* to the Commission Secretary, by e-mail, at least one day before the defense date.**

* Annexes available in the “*Important Documents*” section via the following link: <https://ac.upt.ro/en/finalizare-studii/>

THE ABOVE-MENTIONED DEADLINES MUST NOT BE EXCEEDED. FAILURE TO UPLOAD THE DOCUMENTS RESULTS IN EXCLUSION FROM THE EXAM!
